

Dear Community, fellow Residents  
and Staff

With sadness I must tell  
you that I am leaving  
Dominican Village.

This is very difficult for  
me because I love all  
of you and the life here  
is wonderful.

I cannot leave the future  
responsibility of dismantling  
an apartment to my  
sister who is also old, and  
also, I must downsize. Every-  
thing is too complicated and  
I am on in years.

You have made me very  
happy, and I thank you  
and bless you.

Lovingly,

Theresa Akard
