

When you're here, you're home

February 15, 2022

Dear Friends & Supporters,

We are excited to announce that Dominican Village has reached another milestone in the history of our organization!!! In 2022 we celebrate 30 years of service to our residents and our community. We are unique within the senior living community as our facilities sits on 13 sprawling acres of land; where our residents enjoy a rewarding lifestyle with individualized comprehensive support that promotes independence.

In keeping with our mission, a key element in our pricing process is affordability. Recent comparisons confirm Dominican Village is the most economical option on Long Island for those looking for all-inclusive services and programs in Independent or Assisted Living. To avoid additional operational costs and resident fees, we host a series of fundraising events each year.

We are dedicating 2022 as the year to “Let’s Raise the Roof”, but rather than increase noise levels, we are taking the phrase literally. Our five residential buildings are beginning to show their age, the windows and roofs have stood the test of time, but their time is fleeting and the protection they offer is nearing an end.

As a not-for-profit organization, we continue to receive governmental and foundation funding; however, we also rely on the generosity and support of friends like you to help further our mission of enhancing the quality of life for the senior residents we serve. This year’s scheduled fundraising efforts will assist us with the ambitious goal of replacing the roofs and windows and installing solar panels in our five buildings.

We are pleased to invite residents, families, vendors, and community members to participate in our upcoming fundraising events and activities: *Raise the Roof Raffle, BINGO Night, 30th Anniversary Liturgy/Garden Party, Zoom-Athon, and the Fall Frenzy Auction.*

To maintain operational costs, we have enclosed both the Roof Raffle booklet and Bingo Night opportunities. We need you to help us reach our goal! Please see the reserve side of this letter for more information and opportunities to support our efforts.

On behalf of the Dominican Village administrators, staff, and residents, I thank you for your past support and look forward to joining you as we “Raise the Roof!!!”

Sincerely,

Emily Monem
