Tea and See

The Assisted and Independent Living industry is very overwhelming for families to navigate. There is a great need for direct access to information to facilitate a comfortable happy transition.

At Dominican Village, residents are able to live comfortably and lead full, active lives. We help residents meet their goals of living as self-sufficiently as they can for as long as possible.

We invite you to **Tea and See** our expansive 13-acre campus, inclusive of a full tour and overview of our services and amenities.

**Thursday, April 22, 2021
3:00 p.m.**

**Dominican Village
565 Albany Avenue
