

December 17, 2020

Dear Friend & Supporter of Dominican Village,

In January we sent a letter citing Dominican Village's "2020 Vision" for Special Events and Fundraising activities. As you know, due to COVID-19 protocols and safety regulations imposed by the New York State Department of Health & CDC, all events were cancelled.

Our fundraising efforts are motivated by our determination to provide quality services without additional fees being passed onto our residents. Even with the challenges and restrictions, we continue to find new ways to provide quality services and activities. However, the pandemic has made it necessary to look for unique fundraising ideas and innovations on a virtual platform. Among the events being considered are: a "Pick 3 Lotto Card", "A Night at the Races", a "Virtual Walk/Run/Bike Race" and "Bingo!". We look towards 2021 with renewed hopes of reuniting with our families, friends, and supporters in person or at our virtual events.

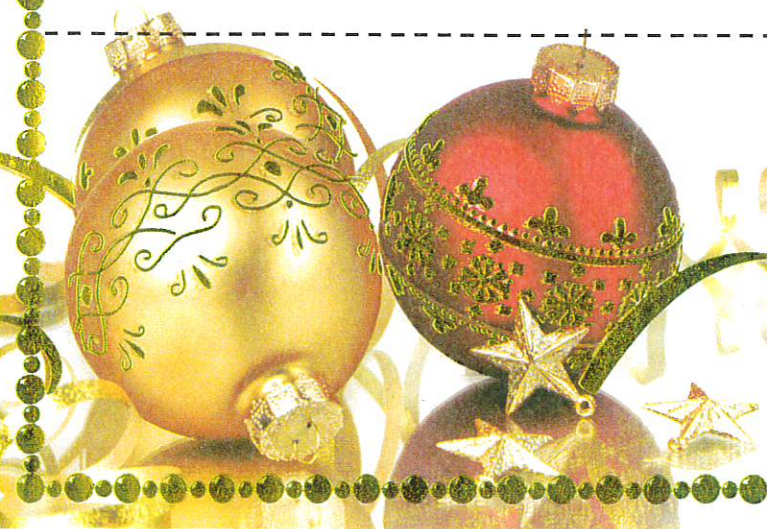

The administration, residents and staff deeply appreciate your generosity in the past and we humbly request that each friend receiving this letter will close out the year with a contribution of \$25.00 or more.

To donate visit www.dominicanvillage.org click our ABOUT US TAB; and scroll to Donations or complete the form below and return to us.

At holiday time, we stop and reflect on everything we are grateful for.... for me, that includes you!!!!

Sincerely,

Emily Monem
Community Relations & Development Director
